Description: The Rivage alloy wheel takes its name from the hallowed sweeping smooth right hand turn at the Belgian race-track: Spa Francorchamps. The Circuit de Spa-Francorchamps is the venue of the Formula One Belgian Grand Prix and the Spa 24 Hours and 1000 km Spa endurance races. Situated 50 km south-east of Liège and first used in 1924, it is one of the most famous and challenging circuits in Formula One history.
